Aileen Luna and Julio Chavez arrive.

Discussion: The Business Office, Student Activities Association, and Student Council have agreed on new budget procedures (document attached). The new procedures should allow entities to know how much money they have at the start of each fiscal year; allow entities to begin spending money earlier; and result in a smaller surplus at the end of each fiscal year. The new procedures will not affect the process by which student clubs and organizations are allocated their funds by the Student Council.

Motion #3: Motion to increase salaries and provide retroactive pay to SAA employees, commensurate with salary increases and retroactive pay due to College employees under the PSC contract – Brian Kerr
Second: Andrew Berezhansky
Vote: Favor [7] Opposed [0] Abstained [0]
Action: Motion passed/not passed
Discussion: Due to the pandemic, CUNY withheld the 2% raise to PSC members salary that was scheduled for November 2020. The Chancellor announced that the 2% raise would soon be implemented, with retroactive pay back to the original November 2020 implementation date. The Budget Committee approves salary increases and retroactive pay for SAA employees, as it is customary for SAA employees' salaries and benefits to match those employees covered by the PSC contract.
