Discussion: Commencement 2017 will take place in a new location, Arthur Ashe Stadium. There will not be much of a price difference between the Stadium and the Theater at Madison Square Garden, the previous location. Students will be able to have 5 guest tickets instead of 3, which surveys indicate is important to students. The Stadium requires us to pay for set-up, break-down, and audio visual services a la cart, unlike the Garden. The College looked into sharing some of this expense with another school, but the Stadium does not allow the stage and other set-up aspects to remain intact between events. Student Transition Programs will have a meeting about continuing the Dear World program for another year. STP will continue to have on offer caps and gowns to students who lose theirs or cannot afford them. All Commencement 2017 costs will be covered in the 2016-2017 Fiscal Year costs, though sometimes vendors may not bill us until after the fiscal year closes on June 30, 2017.

Vote: Favor [8] Opposed [0] Abstained [0]
Action: Motion passed
Discussion: More research and planning needs to be done to determine how these students will be identified, what kind of assistance the funds should cover, and what the College's liability might be.

Motion #6: Motion to solicit requests for proposals of up to $5,000, with funding for the OohLaLa app being considered first when proposal presentations are made. – Kadeem Robinson
Second: Izabela Qafa
Vote: Favor [8] Opposed [0] Abstained [0]
Action: Motion passed
Discussion: Proposals will be for up to $5,000, to be consistent with the amount set aside for homeless students. The OohLaLa app was identified last year as of high importance to students. The deadline for proposals will be Wednesday, February 8, 2017. Lynette Cook-Francis will notify via email the eligible Student Affairs units and the Student Council that the Board is accepting proposals. Requestors will give a short presentation at the February 14, 2017 Board of Directors meeting, and the Board will vote on proposals then. Proposals should be for a one-time cost, such as an event, giveaways for students, or scholarships.
