Discussion:

- FY24 collection rates were very good.
- FY25 projecting 90% of FY24's collection rates; approximately $3 million.
- Not done on enrollment projections based on the current collection rates.
- Freshman class increasing from 2,000 to 2,300.
- Lisa-Marie will rework the estimates to account for extra students.

Discussion: Quarterly report from SAABO. At the last quarterly report, the Business Office reported about $1 million unspent. Large Spring event & Commencement bills have come in since then. The Association will still have money left over, especially in the student clubs and organizations category. Next year, the Business Office will be discussing how to approve budgets ahead of time to encourage club spending earlier; and training with the clubs to make sure they meet deadlines and fill out correct forms.

Meeting adjourned at 1:58 PM
